

## **ADOPTION AND AMENDMENT OF OFFICIAL LUCKY FOR LIFE GAMES RULES**

Notice is hereby given that on May 23, 2017, the Connecticut Lottery Corporation (the "CLC"), with the advice and consent of its Board of Directors, adopted the Official Lucky for Life Game Rules (the "Official Game Rules"), as amended by the provisions below (the "Amendments").

1. **Applicability.** The Official Game Rules and the Amendments apply to all purchases, claims and payments made in Connecticut in connection with Drawings occurring on and after June 1, 2017. In purchasing a Game Ticket in Connecticut, the Purchaser agrees to comply with and be bound by all applicable Connecticut and federal laws, the Official Game Rules and the Amendments, and the CLC Rules of Operation. In the event of any inconsistency among these, the following order of precedence shall prevail in resolving such inconsistency: first, the applicable provisions of Connecticut or federal law; second, the Official Game Rules and the Amendments; and, third, the CLC's Rules of Operation. All purchases, claims and payments made in connection with Drawings occurring prior to June 1, 2017 are governed by the Official Lucky for Life Game Rules and amendments adopted on September 18, 2014, and amended March 20, 2015.
2. **Game Designation.** For purposes of identification, the Game shall be designated in Connecticut as Game # 12 in the Terminal Gaming System.
3. **Play Restriction.** Minors under the age of eighteen (18) years shall not cash or redeem Game Tickets.
4. **Advance Action.** Purchasers may place Wagers for the same set of numbers in multiple, consecutive Drawings (at intervals to be determined by the CLC), by marking the Advance Action box on a Playslip and selecting the number of Drawings they wish to purchase, or by conveying their selection to a Sales Retailer. An Advance Action purchase always includes the next Drawing.
5. **Claims.**
  - A. Lost or missing Game Tickets shall not be honored or processed for payment or replacement.
  - B. Winning Game Tickets may be validated at any Terminal, but cashing is restricted based on the amount of the win. Sales Retailers may cash single winning Tickets up to and including five hundred ninety-nine dollars (\$599); high-tier claims centers may cash single winning Tickets up to and including five thousand dollars (\$5,000); single winning Tickets over five thousand dollars (\$5,000) must be cashed at CLC Headquarters. Prizes of fifty thousand dollars (\$50,000) or more must be claimed in person at CLC Headquarters.
  - C. Winning Game Tickets purchased in Connecticut may be redeemed only in Connecticut within one hundred eighty (180) calendar days from the date of the Drawing.
  - D. Certain limitations apply to the Top Prize, the second prize and the third prize, when there are multiple winners at those prize levels in a particular Drawing. See Part VII, Sections A.1, A.2 and A.3 of the Official Game Rules for details.
  - E. Where multiple Claimants are entitled to a prize, the name of all Claimants should appear on the back of the winning Ticket. If that is not possible, the name of at least one (1) Claimant must appear on the back of the Ticket, and the existence of other Claimants must be indicated (for example, by using words to the effect of "etc." or "et al."). In such a situation, a list of all Claimants must be submitted at the time of claiming a prize. The CLC shall be discharged of all liability upon payment to those Claimants indicated on the back of the Ticket or on such list. If a Ticket is owned in unequal shares, the CLC may pay any prize attributable to that Ticket in such unequal proportion, unless doing so would constitute an unreasonable burden on the CLC, in which case the CLC reserves the right to make payment to one Claimant designated by the multiple Claimants. Payment to such designated Claimant shall discharge the CLC from all liability to each of the multiple Claimants for the payment of that prize.

6. Ticket Validation Requirements.
- A. The CLC will not pay a claim unless an official Game Ticket meets and passes all security validation criteria. Such Ticket shall be the only valid proof of the Wager placed and the only valid receipt for claiming or redeeming such prize. It shall be the bearer's responsibility to present a Ticket that can be validated in accordance with the security validation criteria.
- B. In addition to the above, in order to be deemed a valid winning Game Ticket, all of the following conditions must be met.
1. The validation data must be present in its entirety and must correspond, using the computer validation file, to the number selections printed on the Ticket for the Drawing date(s) printed on the Ticket.
  2. The Ticket must not be stolen, counterfeit, altered, fraudulent, unissued, issued in error, unreadable, not received, unclaimed, not recorded by the CLC within applicable deadlines, lacking in captions that conform and agree with the play symbols appropriate to the Game, or not in compliance with specific rules and with the confidential validation and security tests of the CLC. The CLC and the Party Lotteries shall not be responsible for payment of any prize in connection with such a Ticket.
  3. The Ticket must have been issued by a Sales Retailer on official ticket stock.
  4. The Ticket must not have been stolen, to the knowledge of the CLC at the time of presentation.
  5. The Ticket must be submitted for payment in accordance with the CLC's authorized cashing and claiming procedures.
  6. The Ticket data must have been recorded in the Terminal Gaming System prior to the Drawing, and the Ticket data must match this computer record in every respect. In the event of a contradiction between information as printed on the Ticket and as accepted by the Terminal Gaming System, the Wager accepted by the Terminal Gaming System shall be the valid Wager.
  7. The number selections, ticket serial number, validation data and the Drawing date(s) of an apparent winning Ticket must appear in the official file of winning Tickets, and a Ticket with that exact data must not have been previously paid.
  8. The Ticket must not be unregistered, defectively printed or printed/produced in error to the extent that it cannot be processed and/or validated by the CLC.
  9. There must not be any other violation of the Official Game Rules or these Amendments in relation to the Ticket which, in the opinion of the CLC President, justifies invalidation.
- C. A Game Ticket submitted for validation that fails any of the preceding requirements shall be void. If a defective Game Ticket is purchased, if the CLC determines to adjust an error, or if a Game Ticket claim is not paid by the CLC and a dispute occurs as to whether the Ticket is a winning Ticket, the CLC may, at its sole option, replace such Ticket with either a coupon/voucher or a Game Ticket of equal sales value. This shall be the Claimant's sole and exclusive remedy.
7. Drawing Procedures. Draw pools shall be closed in Connecticut a minimum of sixty (60) minutes prior to each Drawing.
8. Prize Levels. The annuitized Top Prize will be paid weekly. The annuitized second prize will be paid annually.
9. President's Decisions. In the event of any occurrence not covered by the Official Game Rules or these Amendments, Purchasers and Claimants shall abide by the decisions of the CLC President, who shall make such decisions in the best interests of the CLC and the State of Connecticut.
10. Waiting Period for Payment. For prizes to be paid in a manner other than the Annuitized Payment Option, the CLC may, in its sole discretion, delay payment for up to sixteen (16) calendar days from the date the winning Ticket is redeemed to permit funds for the payment of the prizes to be transferred from the other Party Lotteries.
11. Ineligible Players. In addition to the individuals listed in Part VI F.3 of the Official Game Rules, Game Tickets purchased in Connecticut shall not be purchased by, and a prize won by any such Ticket or share, either in whole in part, shall not be paid to:
- A. Natural persons and legal entities issued a vendor or affiliate license by the State of Connecticut Department of Consumer Protection in connection with the CLC's operations, as authorized under

Conn. Gen. Stat. § 12-815a, and anyone otherwise prohibited from playing CLC games by reason of any contract or agreement with the CLC.

B. An immediate family member (related by blood, adoption, marriage, domestic partnership or civil union) of an individual described in this Amendment #11 residing as a member of such individual's household.

F. Play Restrictions and Play Styles.

1. Ticket Sales to Minors Prohibited. Game Tickets may not be sold to or purchased by Minors.
2. Ticket Cashing by Minors. Subject to each Party Lottery's jurisdictional laws, Game Tickets may not be cashed or redeemed by Minors. A Party Lottery's jurisdictional laws will determine whether or not a Minor can claim a Top Prize or second prize winning Ticket (either as a Lump Sum Cash Payment or Annuitized Payment Option). In no event shall a Minor's life be the measuring life for the Annuitized Payment Option for either the Top Prize or the second prize. Payment to a Minor for a Top Prize or second prize winning Ticket shall be for a period of twenty (20) years.
3. Ineligible Players. Game Tickets shall not be purchased, and a prize won by any Game Ticket or share, either in whole or in part, shall not be paid to:
  - a. A Party Lottery employee, officer, director, board member or commissioner.
  - b. Employees of a Party Lottery's Terminal Gaming System vendor(s), as each Party Lottery may designate.
  - c. An employee of the Multi-State Lottery Association.
  - d. Other persons as each Party Lottery may designate.
  - e. Those persons designated herein as ineligible to play the Game in one (1) Party Lottery jurisdiction shall also be ineligible to play the Game in all other Party Lottery jurisdictions selling the Game.

A Party Lottery may expand this list of ineligible players.

4. Ticket Cancellations Prohibited. A Game Ticket may not be cancelled or voided by returning the Game Ticket to the Sales Retailer or to a Party Lottery. A Game Ticket accepted by the Sales Retailer as a returned ticket and that cannot be resold shall be deemed as owned by the bearer thereof. This prohibition also applies to a Game Ticket that may be printed in error by the Sales Retailer. Subject to each Party Lottery's jurisdictional laws, no Game Ticket, or physical portion thereof, that may be used to claim a prize, shall be returned to any Party Lottery for credit.
5. Game Sell-Out Prohibited. A Party Lottery shall not directly and knowingly sell a Game Ticket or combination of Game Tickets to any natural person or legal entity that would guarantee that Purchaser a Top Prize or second prize win.

6. Claims. A Game Ticket, subject to the validation requirements as detailed in Part VII Paragraph C of these Official Game Rules, shall be the only proof of a Game Play (or Plays) and the submission of a winning Game Ticket to a Party Lottery or its Sales Retailer shall be the sole method of claiming a prize or prizes. A Playslip has no pecuniary or prize value and shall not constitute evidence of a Game Ticket purchase or of numbers selected. Under no circumstances will a claim be paid for a Top Prize or second prize without a winning Game Ticket. Subject to each Party Lottery's jurisdictional laws, lost or missing Game Tickets may not be honored or processed for payment or replacement. In connection with a claim for a Top Prize or second prize to be paid under the Annuitized Payment Option, each Party Lottery shall determine the date that a claim is complete such that payment commences.
7. Disclosure of Game Winners. Subject to each Party Lottery's jurisdictional laws relating to the disclosure of lottery winners and in each Party Lottery's discretion where disclosure is lawful, the name and town/city of a winner of a Top Prize or second prize (Prize Level # 2) will be disclosed in a press conference and/or in a press release. The winner may be required to participate in a press conference.
8. Use of Playslips. Players may submit a completed Playslip to any Sales Retailer to have issued a Game Ticket. Playslips shall be available at no cost to the Purchaser and shall have no pecuniary or prize value, or constitute evidence of purchase or number selections. The use of facsimiles of Playslips, copies of Playslips, or other materials that are inserted into the Terminal's Playslip reader that are not printed or approved by the Party Lottery, are not permitted. Sales Retailers shall not permit any device to be connected to a Terminal to enter Plays, except as approved by its Party Lottery.
9. Manual Entry. Players may convey their number selections to any Sales Retailer to obtain a Game Ticket. Number selections shall be manually entered into the Terminal by the Sales Retailer.
10. Quick Pick. Players may either request a Quick Pick Game Ticket from a Sales Retailer or may select the Quick Pick option on the Playslip and submit the completed Playslip to any Sales Retailer. Quick Pick shall be differentiated from Customer Select in that Quick Pick shall refer to the random selection of numbers made by the Terminal Gaming System rather than by the Player.
11. Customer Select. Players may select their own numbers by completing a Playslip or by conveying their number selections directly to any Sales Retailer. Customer Select shall be differentiated from Quick Pick in that Customer Select shall refer to number selections made by the Player rather than the Terminal Gaming System.
12. Replay Feature. If available in a Party Lottery jurisdiction, Players may utilize the barcodes of already-purchased Game Tickets to duplicate another Game Ticket of the same price and with the same number selections and options. To replay, Players may either make the request of a Sales Retailer or may scan the barcode directly into a PAT or SST, if authorized.
13. Advance Action or Multi-Draw. Game Tickets may be purchased for multiple future Drawings, if available in a Party Lottery jurisdiction.
14. Subscriptions or Season Tickets. Game Tickets may be purchased by subscription, if available in a Party Lottery jurisdiction.
15. Limited to Highest Prize Won. In connection with the Winning Numbers drawn, the holder of a winning Game Ticket may win only one (1) prize per Play, board or panel, and shall be entitled only to the prize won by those numbers in the highest matching prize category.

16. Prize Claim Period. The prize claim period shall be determined by each Party Lottery.
17. Player Responsibility. It shall be the Player's sole responsibility to verify the accuracy of the Game Play (or Plays) and the other data printed on the Game Ticket. The placing of Wagers is done at the Player's own risk through the Sales Retailer.
18. Prize Payments. A Party Lottery may not pay prizes that are less than or more than the prize amounts established in these Official Game Rules. The prize won cannot be indirectly increased by promotions or Retailer activity.
19. Group Win of Top Prize or Second Prize. If more than one (1) natural person claims a single Top Prize or second prize Game Ticket, the claim shall only be paid in a single Lump Sum Cash Payment. No Annuitized Payment Option shall be available.

**PART VII PRIZE LIABILITY LIMITS, PRIZE PAYOUTS AND PRIZE LEVELS.** The following paragraphs and chart define the Game's prize liability limits, prize payouts, prize levels and pool percentages, and chances of winning per prize level.

**A. Prize Liability Limits.** There are 10 prize levels in the Game.

1. Except as provided in these Official Game Rules, the Top Prize (Prize Level #1) shall be annuitized and based on a Top Prize liability that will be split equally among the number of winning Game Tickets. A Top Prize Winner may request the Cash Option, the amount of which is to be established by the New England Lotteries for a defined period of Drawings. Notice of the amount of and changes to the Cash Option shall be posted on the Game's website and/or published in each Party Lottery jurisdiction in a manner determined by that Party Lottery at least thirty (30) days prior to the first Drawing to which it is applicable (the "Published Notice"). Under certain circumstances, as detailed below, the Top Prize is required to be paid in a single Lump Sum Cash Payment and no Annuitized Payment Option is available.
  - a. One (1) Top Prize Winner. If there is one (1) Top Prize Winner, the annuitized prize value will be seven thousand dollars (\$7,000.00) per week for life. As an alternative to the Annuitized Payment Option, the Top Prize Winner may request the Top Prize Cash Option in the amount set forth in the Published Notice.
  - b. Two (2) to Fourteen (14) Top Prize Winners. If there are between two (2) and fourteen (14) Top Prize Winners, the Annuitized Payment Option, based on an annuitized prize value of seven thousand dollars (\$7,000.00) per week, will be divided by the total number of Top Prize Winners. The minimum annuitized prize value for this category will be five hundred dollars (\$500.00) a week for life. Any of these two (2) to fourteen (14) Top Prize Winners may choose the Cash Option as an alternative to the Annuitized Payment Option. The amount of the Cash Option for this category will be the amount of the Top Prize Cash Option set forth in the Published Notice divided by the total number of Top Prize Winners. The minimum Cash Option for this category will be the amount set forth in the Published Notice.
  - c. Fifteen (15) or more Top Prize Winners. If there are fifteen (15) or more Top Prize Winners, the Top Prize liability shall be capped at seven million one hundred twenty-five thousand dollars (\$7,125,000.00), shall be split equally among all Top Prize Winners, and shall be paid in one (1) Lump Sum Cash Payment, without an Annuitized Payment Option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective Drawing.
  - d. The Winner(s) of the Top Prize who do not request the Cash Option shall be paid

their appropriate Top Prize share on a weekly basis, or according to any other schedule of payments set at the discretion of each Party Lottery, as permitted in Part VII Paragraph C of these Official Game Rules, for a minimum period of twenty (20) years. The first Top Prize payment will be made when the prize is claimed at the Selling Lottery's Headquarters. Each Party Lottery shall determine the date that a claim is complete such that payment commences.

- e. Measuring Life. For a single Wager, the measuring life of a Top Prize Winner used to determine the duration over which the Top Prize is paid, shall be the natural life of the individual determined by the Selling Lottery to be the Top Prize Winner. A Party Lottery's jurisdictional laws will determine whether or not a Minor can claim a Top Prize winning Ticket (either as a Lump Sum Cash Payment or Annuitized Payment Option). In no event shall a Minor's life be the measuring life for the Annuitized Payment Option for the Top Prize. Payment to a Minor for a Top Prize winning Ticket shall be for a period of twenty (20) years.
  - f. If paid in a Lump Sum Cash Payment, Top Prize amounts will be rounded to the nearest whole dollar.
2. Except as provided in these Official Game Rules, the second prize (Prize Level #2) Winner will be paid twenty-five thousand dollars (\$25,000.00) a year for life. A second prize Winner may request the Cash Option, the amount of which is to be established by the New England Lotteries for a defined period of Drawings. Notice of the amount of and changes to the Cash Option shall be posted on the Game's website and/or by each Party Lottery's Published Notice. Under certain circumstances, as detailed below, the second prize is required to be paid in a single Lump Sum Cash Payment and no Annuitized Payment Option is available.
- a. One (1) to Twenty (20) Second Prize Winners. If there are between one (1) and twenty (20) second prize Winner(s), the annuitized prize value will be twenty-five thousand dollars (\$25,000.00) per year for life. Any of these one (1) to twenty (20) second prize Winner(s) may choose the second prize Cash Option as an alternative to the Annuitized Payment Option. The amount of the Cash Option for this category will be set forth in the Published Notice.
  - b. Twenty-one (21) or more Second Prize Winners. If there are twenty-one (21) or more second prize Winners, the second prize liability shall be capped at nine million four hundred thousand dollars (\$9,400,000.00), shall be split equally among all second prize Winners, and shall be paid in a single Lump Sum Cash payment, without an Annuitized Payment Option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective Drawing.
  - c. The Winner(s) of the second prize who do not request the Cash Option shall be paid their appropriate second prize share on an annual basis for a minimum period of twenty (20) years. The initial second prize payment will be made when the prize is claimed at the Selling Lottery's Headquarters; subsequent second prize payments will be made annually thereafter. Each Party Lottery shall determine the date that a claim is complete such that payment commences.
  - d. Measuring Life. For a single Wager, the measuring life of a second prize Winner used to determine the duration over which the second prize is paid, shall be the natural life of the individual determined by the Selling Lottery to be the second prize Winner. If the second prize under a single Wager is being claimed by more than one (1) natural person or by a legal entity, the measuring life for that second prize Winner shall be twenty (20) years. A Party Lottery's jurisdictional laws will determine whether or not a Minor can claim a second prize winning Ticket (either as a Lump Sum Cash Payment or Annuitized Payment Option). In no event shall a

Minor's life be the measuring life for the Annuitized Payment Option for the second prize. Payment to a Minor for a second prize winning Ticket shall be for a period of twenty (20) years.

- e. If paid in a Lump Sum Cash Payment, second prize amounts will be rounded to the nearest whole dollar.
3. Except as provided in these Official Game Rules, the third prize (Prize Level #3) will be paid as a five thousand dollar (\$5,000.00) Set Prize.
